ADDITIONAL RENTAL INFORMATION

PRICING POLICY:

Short-term rental prices are daily and in CHF (as from half a day up to 3 months).

Fuel is included in all rental prices (at CERN petrol stations only).

The rental cars have unlimited mileage.

INSURANCE POLICY:

All short-term rental cars are without logo.

All short-term cars are insured under a CASCO coverage.

RESERVATION & LATE RETURNS POLICY:

Reservation is only possible for a vehicle category, not for a particular model of vehicle – the pictures illustrate the model SIPP codes mentioned beside.

Late returns for rentals induce important operational problems with associated costs; in consequence a significant penalty fee will apply as is the case in other car rental operations.
